

LEA HALL ACADEMY NEWSLETTER

SUMMER TERM 1, 2024

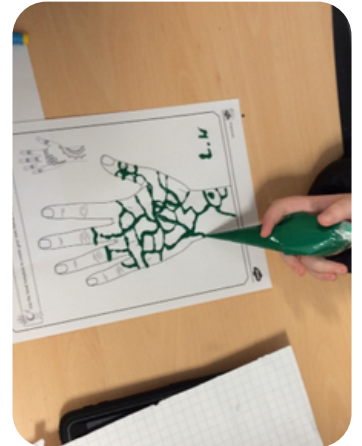

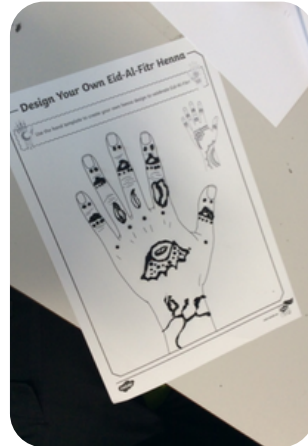

Welcome to our new edition of the Lea Hall Academy Newsletter.

IN THE NEWS THIS HALF TERM ...

- Eid Celebration
- Parent/Carer Workshops
- Music Classes
- Jazz Award - 7B
- Football Yr 5 & 6
- Music Concert
- Science
- Judo Competition

EID CELEBRATION

On Thursday 25th April the whole school celebrated Eid! All students were involved with activities such as, taste testing foods like samosas, onion bhajis and curry's and they took part in art classes focusing on mosques, prayer mats and henna designs. Our school kitchen also cooked traditional Asian food to celebrate the day.

PARENT/CARER WORKSHOPS

We are holding three parent/carer workshops throughout the summer term that will focus on how we teach your child early reading skills and how you can support them at home.

These will take place on:

Monday 10th June - Storytelling with your children in their classroom

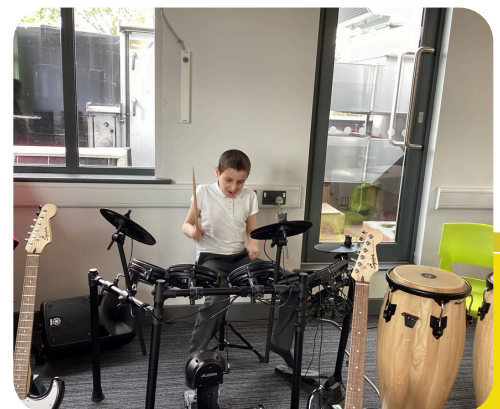

Monday 24th June - Presentation to parents/carers on how we teach phonics and early reading

Monday 8th July - How you can support your children at home and access to activities and support over the summer

They will all take place in the morning (9.30-11.00) and further details/reminders will be sent via text and email. Heena will be available to discuss Early Help and further support she can offer.

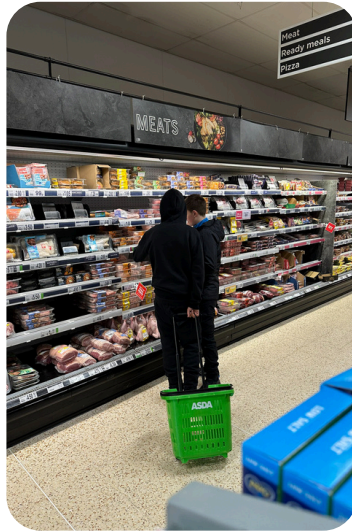

MUSIC CLASSES

Some of class 4 boys have been working hard on their music skills and have been working by themselves and in groups to create pieces of music. A lot of the boys find their music class calming and very enjoyable, it is something they look forward to every week.

CLASS 7B ACTIVITY FOR THE JASS AWARD

As part of their Junior Award Scheme for Schools (JASS), Class 7B came up with a meal that they wanted to cook, work out what ingredients were needed and how they would manage this with a budget of £10. With this project the boys formed life skills of budgeting and collecting the ingredients from the shop for their chosen meal. The boys decided to cook Chicken Fajitas and were very successful in their trip and cooking!

YEAR 5 & 6 FOOTBALL TEAM

Our Key Stage 2 team played against Hallmoor Key Stage 3 team, winning 4-2. It was a very competitive game with Lea Hall taking a 2-nil lead into half time. Hallmoor fought back, but with Harvey leading from the front, showing a great all-round match winning performance, Leahall held on in the end. We are very proud of all the team, who worked hard as a unit and deserved to win.

GARDENING

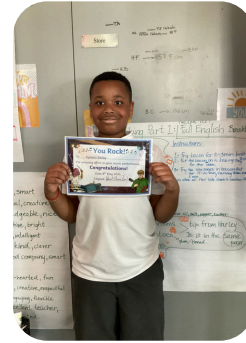

Class 4 children have been partaking in a little gardening.

We concentrated hard on planting the seeds and making sure they have everything they need to grow.

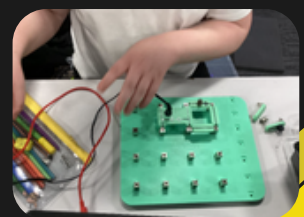

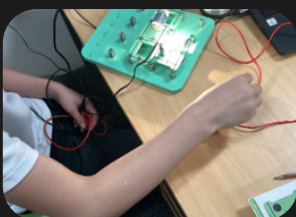

SCHOOL MUSIC CONCERT

On Wednesday 8th May our students took part in a music concert, some bravely performed live to an audience and others showcased their music. The boys who weren't involved thoroughly enjoyed watching. We are all very proud of all performers!

CLASS 6 SCIENCE – CIRCUIT INTERVENTION

Class 6 were exploring circuit boards for their science lesson. This was independent work where they used trial and error to complete a circuit to either light up a bulb, ring a buzzer or start a small motor. Some students added additional components to make a more complex circuit.

JUDO COMPETITION

Some of our boys that have been taking part in Judo lessons in school had the opportunity to take part in a competition.

The boys received the following awards for their weight category, Jacob 3rd place, Trevell 1st place, Reekye 2nd place, Brandon 2nd place.

The students were excellent and supporting each other and having great sportsmanship. The school that held the competition made Lea Hall boys feel very welcome and have even organised a future football tournament.

Our vision for our pupils at Lea Hall Academy is to provide a safe environment, where children feel happy which enables them to learn and reach their full potential.
